

## Jason Boyle

Kia Ora, my name is Jason Boyle, I am the Grandson of Thomas Woon, step grandson of William Karatau and son of Gail Wood. I am currently living in Bulls and am employed by Fonterra as a Regional Manager.

I started my working life in the military in 1996 with a specialisation in transport and logistics which took me all over the world on various deployments and training including East Timor, Antarctica and Israel. My Military profession also took me to the Middle East for 3 years working for the US Dept of Defence and the British Army.

I joined Fonterra in 2010 and have had roles in Manufacturing, General Logistics, Raw milk collection and Co-operative affairs. I am a graduate of the Officer Cadet School of New Zealand and Massey University where I completed an MBA. I am experienced in governance and have recently completed studies in Maori history, culture and Maori in modern business.

I have two primary school aged children Sacha 8 and Lachlan 6 who attend Bulls Primary school. I am involved with many clubs and organisations and enjoy golf and flying as hobbies.

My reasons for standing in this election is that I feel that it's time to give something back to my family and aid in the growth and prosperity of Nga Wairiki - Ngati Apa and its people.
